**EAGLE CHOCOLATE BARS**

A solid milk and white chocolate Eagle, depicting our Eagle Sculpture, has been designed and manufactured by Rocky Mountain Chocolate Factory.

The chocolate Eagles are only \$10 with 100% of the proceeds going to help Easter Seals Services.

They are available at Rocky Mountain Chocolate Factory and Scotiabank's around the province at various times throughout the project.

We would like to give a great big thank you to Rocky Mountain Chocolate Factory and Scotiabank for their support in this wonderful cause.

**WHO IS THE BRITISH COLUMBIA LIONS SOCIETY FOR CHILDREN WITH DISABILITIES?**

In 1947 a group of Lions felt there was a need for transportation for children with disabilities. With their own vehicles they began the first transportation program for these children. This idea developed into what we now know as the British Columbia Lions Society for Children with Disabilities.

The Society has been a registered charitable organization since 1952. You may also know us as the Easter Seals People. Under both names, our mandate is to support children with disabilities throughout British Columbia. The Society provides specialized programs and services to help children develop their abilities to their full potential.

**Our services include:**

- Easter Seals Camps Shawnigan, Squamish and Winfield
Easter Seals Houses Vancouver, Victoria and Prince George
Easter Seals Buses
Patient Care Grants
Vancouver Hospital Helipad
Lions Laser Skin Care Centre at Vancouver Hospital
Scholarships and Child Development Centres

**WHO IS THE CANUCKS FOR KIDS FUND?**

The Canucks for Kids' Fund is the charitable arm of the Vancouver Canucks. Its focus is to reach out to children's causes within the areas of education, grassroots hockey development, and not-for-profit children's organizations. The primary beneficiary of the Canucks for Kids' Fund is Canuck Place Children's Hospice, an innovative program offering specialized care for BC children and their families when the child is living with a progressive life limiting illness.
